

Stocksbridge Junior School

Issue No. 611

22/11/2024

Although wintery weather had been forecast for this week, the below zero temperatures and icy conditions under foot have been a surprise, even for the end of November. Playtimes have felt very different, with our children enjoying the winter wonderland that is usually our school field!

In our modern world where children are often occupied online, or by watching tv, it has been refreshing to see everyone outdoors, enjoying good old-fashioned play in the snow!

CROSS-COUNTRY

On a cold Saturday morning in Bradfield, the Stocky Cross-Country team were in action for Race 3 of the season. As always, it is wonderful to see children representing Stocksbridge Junior School and even better still that we now have enough runners to form a lower school team for the team events.

Bradfield is one of the longest courses on the calendar with some parts of the course being heavy-going. Despite a challenging course, all children worked hard and demonstrated endurance, a great attitude and wonderful sportsmanship. Well done, everyone!
