Issue No. 628

25/04/2025

Tuesday 22<sup>nd</sup> April was the 55th anniversary of Earth Day: a day when everyone can get involved and make a difference for our planet. The theme this year is 'Our Power, our Planet' - encouraging a focus on everyone making smart energy choices at home and at work. Our 'Book of the Week', discussed in assembly, linked to this - "Dear Earth" is a story about why we should love the planet, how it is being destroyed and what we can do to save it.

To celebrate St George's Day, our assembly music was 'Jerusalem' as we thought about the things that make England special to us. Let's hope that if we encourage the next generation to think about our planet, our "green and pleasant lands" will be here for many years to come.

**BOOK OF THE WEEK**

Our book of the week this week is 'Dear Earth' by Isabel Otter. Mrs Hall has chosen this book because on Tuesday, it was Earth day.

"Dear Earth" is about a young girl called Tessa whose Grandpa had once been an explorer. Tessa's Grandpa tells her all about his adventures and she decides to write a letter to the Earth. Through her letter, she shares her appreciation for the beauty and magic of the planet. Dear Earth reminds us of the beauty of Earth and that we should look after our world. As Tessa's Grandpa says at the end of the book, 'Perhaps if enough of us share the message, we can still save our dear Earth.'
